

GOOGLE PLACES PACKAGES

Claim Your Google Place Page Today - You'll Need It Tomorrow

Be in control of how your business is shown on the local map. Claim your listing, and get it verified.

Just look at what all you receive for a single \$99 set-up fee:

- Google gmail account that can be tied into Google Analytics, AdWords, Webmaster Tools.
- Your address claimed in Google Places.
- Instructions on how to Verify your listing.
- Your Places profile filled out completely. This includes, categories, service area, photos, etc. You can have up to 10 photos and up to 5 videos on your Places. **
- The option to have your Place or Website highlighted for \$25 per month. *

Additional Options:

- *Monthly Monitoring* - You'll receive a PDF of the dashboard report every month for 12 months. \$99 per year.
- *Coupons* - I'll add a coupon to your Place page every month. This will include a 25 character heading, 35 character sub-heading, 250 character description, an image, an expiration date, and an offer code. \$150 per year. **

** You'll need to supply the content, images and videos for the required options. NOTE: professional photography and video services are available at an additional cost.
